

## The Wheatsheaf, Low Lorton

The Wheatsheaf, Low Lorton

Thanks to Louise Oliver for recommending this site to us.

If you are looking for complete peace and quiet, that back-to-nature feeling, then The Wheatsheaf is a great place for camping and caravans (space and electricity hook-up for 10 tourer vans). The campsite, where all are welcome but is especially ideal for families, is spacious so that there is no chance of tripping over a neighbour's tent pegs. A shower block and toilets with hot and cold water, along with washing and drying facilities are also on hand. The campsite is open from March until November.
